## IN OUR CURRICULUM

# P.E.

## COMMUNITY AND PARTICIPATION

**Physical Education** promotes participation and community bonds, acknowledging each person's unique God-given potential and fostering appreciation for diversity and individuality.

**Sports leadership** fosters teamwork toward common goals, appreciating individual strengths within the community.

In **team sports**, students excel in specific roles, enhancing personal development.

**Year 9** sports leadership involves diverse roles and community engagement.

All lessons emphasise fair play and positive role models in sport, fostering community relationships and lifelong sports participation.

Live out our faith...
