

Catholic Social Teaching

IN OUR CURRICULUM

COMPUTING

DIGNITY OF THE WORKER

Ethical, Moral, and Cultural Issues

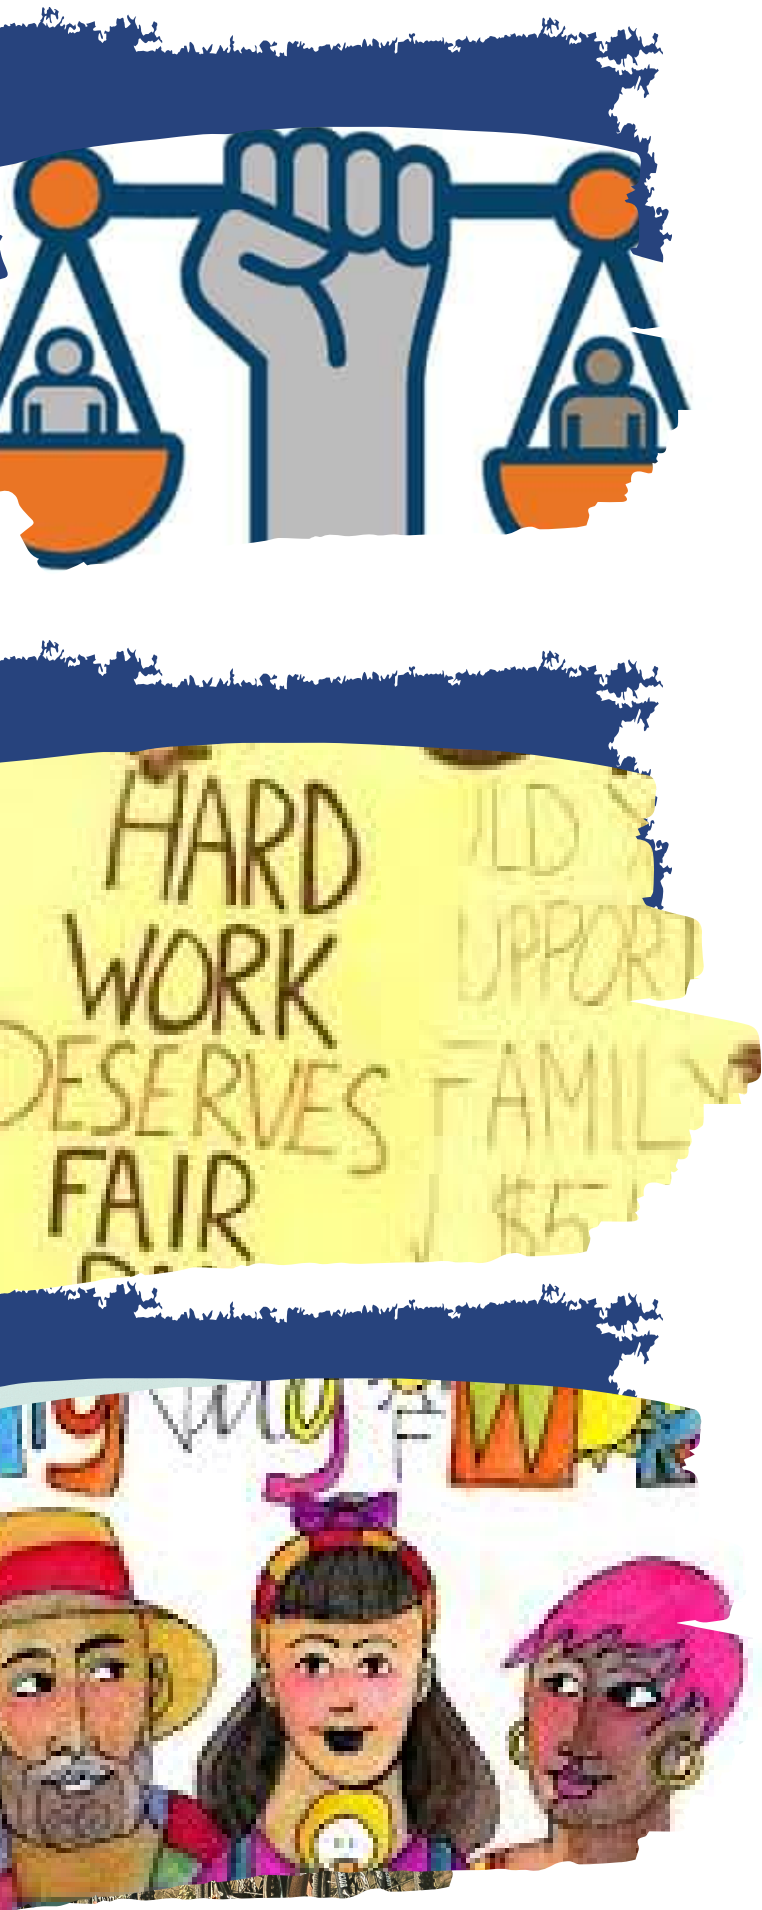

Encourage students to understand and address ethical, moral, and cultural implications of technology in society.

Technology in the Workplace

Provide students with opportunities to use skills that can be applied in their future jobs and experience the dignity and value of their work to improve both their own lives and the lives of others.

Impact of Technology

Discuss how AI, automation and technology can influence wages and employment and how technology can be leveraged to ensure fair compensation for all workers. Equip students with the knowledge and skills to reduce the global digital divide

Live out our faith...
